

## **US 41 - Lombardi Avenue/County VK Interchange**

**Schedule:** Reconstruction of the Lombardi Avenue interchange will begin in March 2012 and is anticipated to be completed in late September 2012. Work from 500 feet west of Wood Lane to Argonne Street is required to be complete by August 1, 2012. All other work is required to be complete by September 28, 2012.

**Location:** Village of Ashwaubenon and city of Green Bay; Brown County

**Description of project:** This project will reconstruct Lombardi Avenue (County VK) between Wood Lane and Argonne Street. This reconstruction involves replacement of existing pavement, the addition of curb and gutter from Wood Lane to US 41, a new westbound right turn lane, and ramp closure gates. The construction will consist of grading, base aggregate, concrete pavement, storm sewer, curb, gutter, and traffic signals.

**Traffic impacts:** This project is complete.
